YEAR ENDED DECEMBER 31, 2009

NOTE 1 ORGANIZATION

The Association was incorporated on April 20, 2001, in the State of Florida as a not-for-profit corporation for the purpose of administering and operating common property pursuant to Chapter 720 of the Florida Statutes and the provisions of the Declaration of Covenants and Restrictions. The Association property consists of land, two clubhouses, one cabana, and three pools. The Association contains 4 types of living units: single family homes and town homes with lot widths of 35, 30, and 22 feet.

The Declaration of Covenants and Restrictions was recorded on August 21, 2002. The first unit was conveyed to a unit owner other than the developer on August 28, 2002.

Article V - Assessments, section 10, and Article VI - Use of Property, section 2 and section 8 were amended on April 28, 2005. Article V, section 10 of the Declaration of Covenants and Restrictions is deleted in its entirety and restated to include provisions for late fees. Article VI, section 2 of the Declaration of Covenants and Restrictions is deleted in its entirety and is restated to require approvals of leases of a Lot by the Board of Directors. NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fund Accounting

The Association's governing documents provide certain guidelines for governing its financial activities. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts using fund accounting. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

Operating Fund - This fund is used to account for financial resources available for the general operations of the Association.

Replacement Fund - This fund is used to accumulate financial resources designated for future repairs and replacements.

Disbursements from the Operating Fund are generally at the discretion of the Board of Directors. Disbursements from the Replacement Fund generally may be made only for designated purposes by the Board of Directors.

Cash and Cash Equivalents

For the purpose of the Statement of Cash Flows, the Association considers all short-term investments with an original maturity of three months or less to be cash equivalents.

Member Assessments

Association members are subject to monthly assessments to provide funds for the Association's operating expenses. Each living unit that has been certified for occupancy and has been conveyed to an owner other than the developer shall be assessed at a rate that is uniform with other similar types of living units. The annual budget and assessments of owners are determined and approved by the Board of Directors. The Association retains excess operating funds at the end of the operating year, if any, for use in future operating periods.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2009

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Prepaid Expenses

Prepaid expenses consist of unexpired insurance and other operating expenses.

Property and Equipment

Real property and common areas acquired from the developer and related improvements to such property are not recorded in the Association's financial statements. Those properties are owned by the individual unit owners in common and not by the Association. The Association capitalizes personal property at cost and depreciates it using the straight-lined method. The Association also recognizes real property not directly associated with the units as assets when the Association has title and can dispose of the property, at the discretion of its Board of Directors, for cash, with the Association retaining the proceeds.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Income Taxes

The Association is classified as a non-exempt organization for both federal and state income tax purposes for the year ended December 31, 2009. The Association is subject to specific rulings and regulations applicable to non-exempt membership organizations. The Association will file its income tax return as a regular corporation under Section 528 of the Internal Revenue Code and does not project to incur a federal or state income tax liability for the year ended December 31, 2009. The Association's investment income and other non-exempt income net of certain expenses should result in no taxable income.

Interest Earned

The Board's policy is to allocate investment income to the Operating and Replacement Funds based upon average balances.

Recently Issued Accounting Standards

In May 2009, the Financial Accounting Standards Board issued SFAS 165, "Subsequent Events", which establishes standards of accounting for the disclosure of events that occur after the balance sheet date but before financial statements are issued or ready to be issued. SFAS 165 was adopted for the year ending December 31, 2009. The adoption did not have a material impact on Kendall Breeze Homeowners Association's results of operations, financial position, or cash flow. Kendall Breeze has evaluated subsequent events through March 31, 2010, which is the date the financial statements were issued.
